HOMEWORK ASSIGNMENT

SURVEY: "What should be done with repeat sex offenders?"

You are to ask the above question to individuals from the following groups;

- 5 in the age group (14-19)
- 5 in the age group (20-29)
- 5 in the age group (30-39)
- 5 in the age group (40-59)
- 5 in the age group (60 and above)

You should try to get representation from both genders in each age group. You can verbally ask each individual and record the response, ask them the question electronically or put the question on a piece of paper and ask for a written response. Ask for a one-two sentence response to the question. Do not change the wording of the question and do not provide any additional information. Respondents are to answer the question as written.

Group the responses accordingly. Turn in a three-five page type written report summarizing each group's response and compare and contrast the groups highlighting major agreements and disagreements, this may include gender differences also. **DO NOT INCLUDE INDIVIDUAL NAMES.**

Due Date: April ⁶~~30~~.
